### PROFILE

Fueled by the ambition to build things bigger and better, I specialize in developing Windows and Web apps using .NET but do not limit myself to one technology. With proven communication, teamwork, leadership skills and 'can do' attitude, will be a valuable addition to a good team.

### SKILLS

### MORE INFO

### EXPERIENCE

- Since 2021** | **SSE - ALSOENERGY – GURUGRAM**  
Working as a part of API team to deliver requirements specified by the Product team.
- 2018 - 2021** | **SSE - ACCENTURE – GURUGRAM**  
Working as a .NET developer to develop, test and deliver the requirements specified by a large reinsurance client. Currently handling applications based on tech stacks such as Winforms, WPF, ASP.Net, MERN and Xamarin Forms.
